

Earth Day Challenge Checklist

Earth Day is April 22, but you can start the TVA EnergyRight Earth Day Challenge anytime! See how many planet-friendly actions you can check off the list.

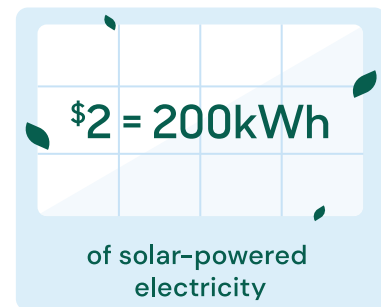

Made from 50%
recovered plastic

- 1 Complete the free DIY Home Energy Assessment.
EnergyRight.com/home-energy-assessment/
- 2 Use garbage bags made from recovered plastic.
- 3 Order a free Eye Spy Energy Kit for your kids.
EnergyRight.com/residential/energy-monsters

4 Enroll in TVA's Green Switch to support solar power in our region.
TVA.com/GreenSwitch

5 Plug devices into a power strip, then turn the power strip off when you're done for the day.

Bar soap uses 0
plastic packaging

- 6 Celebrate Meatless Mondays with plant-based meals.
- 7 Switch to bar soap.
- 8 Use the dishwasher instead of washing dishes by hand.

9 Opt out of junk mail.
Check out DMAchoice.org and Optoutprescreen.com to get started.

10 Buy energy efficient devices and appliances for your home on the EnergyRight Marketplace.
