

Current Incentive Offerings

 = eligible for new installations

 = no pre-approval required

Fast Track LED Lighting

-  **\$3/tube** – 2' Linear T8 LED tubes
-  **\$4/tube** – 4' Linear T8 LED tubes
-  **\$7/tube** – U-Bend T8 LED tubes
-  **\$23/fixture** – 2' x 2' LED panel fixtures
-  **\$28/fixture** – 2' x 4' LED panel fixtures

New Construction LED Lighting

-  **\$0.10/kWh** – based on lighting power density

LED Lighting

- \$0.13/kWh** – outdoor
- \$0.15/kWh** – indoor

Custom

- Up to **\$0.18/kWh**

HVAC Equipment

-  **\$80/ton** – HVAC equipment replacements
-   **\$175/ton** – Advanced Tier A/C units and heat pumps
-   **\$200/ton** – high efficiency air-cooled chillers
-   **\$250/ton** – VRF and dual fuel heat pumps
-   **\$1,000/ton** – ground source heat pumps

Fast Track Compressed Air

-  **\$300/unit** – no loss condensate drains
-  **\$75/unit** – engineered air nozzles
-  **\$8 per HP/unit** – low pressure drop filters
-  **\$4 per cfm/shift** – cycling refrigerated dryers

Refrigeration

- \$50/EC motor**
- \$200/evaporator fan controller**
-  **\$100/linear ft** – open cases
-  **\$200/linear ft** – medium & low temperature cases

Retro & Monitoring-Based Commissioning

- \$0.05/kWh** – for non-capital energy efficiency projects

Electric Forklift Class 1 & 2

-  **\$1,000/leased**
-  **\$2,000/purchased**

Thermal Ice Storage

-  **\$9/ton-hour** (partial)
-  **\$11/ton-hour** (full)

Variable Speed Drives

- \$100/horsepower (HP)**

Ready to get started on your next energy efficiency project?

Whether it's expert guidance, incentive help or a quick answer, we're here with multiple ways to connect and support your energy goals.

1 **Connect with a TVA Energy Expert with your questions.**

It's easy. Use the contact info below to connect with us by phone, email or website form.

2 **Need a trusted contractor for your project?**

Select a TVA-vetted professional from our Preferred Partner Network (PPN) of approved, trained trade allies who can help you meet your energy goals. Easily find a contractor that meets your business needs by using our Find a Contractor tool.

3 **Already have a defined project and need multiple bids?**

Use our RFP tool to the right to receive the desired number of quotes from our PPN.

Find a contractor

Check our online directory of TVA-vetted trade allies to connect with a contractor that meets your business needs. Already have a trusted contractor? They can also help you get started.

RFP Tool

Have a defined project but need multiple bids? Use our easy tool to get bids from our TVA-vetted trade allies.

Not sure where to start? Let's connect.
Our TVA Energy Experts are here to help.
