

Fast Track Compressed Air Incentives

What's eligible?

TVA EnergyRight® for Business & Industry is offering incentives for the following types of compressed air equipment:

- **\$300 per unit – No Loss Condensate Drains**
 - Eligible for the replacement of timed drains and/or manually opened drains only.
 - Eligible for compressed air systems whose rated horse-power (HP) is at 50 HP and above.
 - Compressed air system HP shall not include redundant, backup, or out-of-service compressors.
- **\$75 per unit – Engineered Air Nozzles**
 - Eligible for the replacement of standard air nozzles and/or open air guns.
 - *Engineered air nozzle must meet SCFM rating at 80psig less than or equal to:

Nozzle Diameter:	1/8"	1/4"	5/16"	1/2"
Max SCFM Rating @ 80psig:	11	29	56	140

**Not limited to sizes listed in the table.*

- **\$8 per HP/unit – Low Pressure Drop Filters**
 - Compressed air system HP shall not include redundant, backup, or out-of-service compressors.
 - Eligible for replacement of standard coalescing filters with low pressure drop filters.
- **\$2 per cfm – Cycling Refrigerated Dryers**
 - Eligible for replacement of non-cycling refrigerated dryers with cycling refrigerated dryers.
 - The addition of controls to existing dryers does not qualify.
 - The replacement of desiccant, deliquescent, heat-of-compression, membrane, or other types of dryers does not qualify.
 - Recommended for units to be rated less than 0.60 kW/100cfm.

How are Fast Track Incentives different than Standard Incentives?

- No pre-approval required, ideal for projects with short timelines.
- Apply up to 180 days after installation.

Rules & Guidelines

- Pre-approval is NOT required.
- Projects may receive a post inspection.
- Incentives are limited at 70% of material, design and engineering costs.
- Project incentive must be \$150 or greater.
- Fast Track Compressed Air Incentives are only eligible for industrial customers.
- Equipment must be installed prior to submitting incentive application.
- Incentive applications can be submitted up to 6 months (180 days) after dated invoice or final install date.
- Applications must be submitted by a PPN member OR encourage your contractor to become a PPN member: <https://energyright.com/business-industry/become-a-member/>.
