How is Fast Track Lighting different than Standard Lighting incentives?

- No pre-approval required - ideal for projects with short deadlines.
- No PPEC or detailed energy calculations required.
- Apply up to 6 months (180 days) after installation.

Requirements for Eligibility

- Type A, B and C LED tubes are eligible.
- No qualified product list requirement. (DLC, ENERGY STAR, LDL)
- Equipment must be installed prior to submitting incentive application.
- Incentive applications can be submitted up to 6 months after dated invoice or final install date.
- If your project involves LED fixtures not represented in this offering, your Preferred Partners Network (PPN) member can go through our standard lighting program: https://energyright.com/business-industry/incentives/led-lights/.

Rules & Guidelines
